

# Award Ceremony “Gian Piero Spada Medal” 2024

Wednesday, March 27<sup>th</sup> 2024  
14:30

Aula N “Toso Montanari”  
Ue4  
PoloScientifico Navile

14.30 – **Introduction and Award Ceremony** (Andrea Mazzanti -head of Dep. of Industrial Chemistry, Marco Lucarini -head of Dep. of Chemistry, Luca Prodi - coordinator of PhD in Chemistry)

14.50 – **Nicolò Interino (*Analytical Chemistry*)**: Development of MS-based analytical approaches for targeted/untargeted analysis of metabolites and bioactive compounds applied to different scientific fields

15.15 – **Alessandro Messori (*Inorganic Chemistry*)**: Advancing green chemistry: unravelling organometallic complexes as catalysts for biomass derived feedstock conversions

15.40 – **Stefano Scurti (*Industrial Chemistry*)**: Investigation on the role of polymeric ligands in heterogeneous nano-catalysis towards the development of hybrid metal-polymer catalysts

16.05 – **Chiara Portolani (*Organic Chemistry*)**: An organocatalytic approach to the stereoselective synthesis of N-N atropisomeric hydrazides via relay catalysis
